iLuminate is a company based on the fusion of technology and dance. This distinctive combination will reawaken your senses and imagination thanks to a diverse team of experts who create an astonishing visual experience. Audiences will see dancers in electrified glow-in-the-dark suits performing dynamic routines and illusions set to great pop and dance music on a darkened stage. iLuminate is incomparably entertaining, so much so it's been seen on America's Got Talent, Dancing with the Stars, the X-Factor, Good Morning America, The American Music Awards and many more! Lunch at Skewers before the 3:00 p.m. performance. A seasonal menu will be announced closer to the trip date.
