More than those of any composer or lyricist writing for the stage, the songs of Rodgers & Hammerstein have become an integral part of our everyday lives. This stunning collection of Rodgers & Hammerstein compositions places five performers in a theatrical setting: first "backstage," where the songs are sung as personal interplay, and then "onstage," where the songs are presented to an audience. Offering its performers an opportunity to explore timeless songs within their own styles and sensibilities, *Some Enchanted Evening* delights its audience with a glorious parade of genuine hits.

Buffet lunch at The Peppery before the 2:00 p.m. performance.
